- Detail oriented and complex data entry.
- Web Frontend technologies such as HTML and CSS.
- UI/UX design using Figma.
- Object oriented programming in C++ and Java.

## Education

### Undergraduation

Institute: Mehran University of Engineering and Technology jamshoro  
Degree: Undergraduate  
Department: Computer System Engineering  
Current Semester: 6<sup>th</sup>

### Intermediate

Institute: BISE Sukkur (Board of Intermediate and Secondary Education)  
Degree: Intermediate  
Grade: "A"

### Matriculation

Institute: BISE Sukkur (Board of Intermediate and Secondary Education)  
Degree: Matriculation  
Grade: "A-1"

## **Key Skills:**

- Problem solving
- Teamwork
- Communication
- Decision making
- Management
- Leadership
- Hard work and dedication
- Creativity
- Numeracy
- Reliability
- Collaboration

## **Certifications:**

IEEE (Institute of Electrical and Electronics Engineers) 35<sup>th</sup> multi-topic international symposium held on February 26-27, 2020 at Hotel Pearl Continental, Karachi Pakistan.

## **Hobbies:**

Reading fiction based books, Painting, Singing, watching movies and Gaming.

## **Languages:**

English, Urdu, and basic Korean.
